### Groups on Mission – Discussion Questions

Watch the teaching video on Mosaic Chapel's Facebook and YouTube pages.

#### **Discussion Guide for Groups**

Q: What do you think about this idea of a group taking on a mission for a year?

The main goal today is to begin praying and discussing taking on a mission, and what that mission might be.

Pray: Spend some time in pray as a group. Encourage folks to pray out loud together, for God's wisdom and revelation and for the Holy Spirit to speak. As your prayer time, you could encourage people to speak out things the Bible says about mission.

As you begin your discussion, review the list of Mission Guidelines:

#### **A Group Mission should be:**

1. Non-Partisan
2. People-Focused
3. Local (except a mission trip)
4. Generated from within the group

Feel free to lead this brainstorming discussion as you best see fit for your groups. Discussion element ideas include (build a list on the board):

- As we've gotten to know each other, what are some common passions we've seen develop?
- What initial mission ideas to folks have?
- What are things we could study and discuss that would go along with these mission ideas?
- Are there any concerns or items we should keep in mind as we continue to process this?

This decision doesn't need to be made today. Encourage your group to continue to pray and dialogue until your group meets again. Ideally, a group will have chosen a mission by September. It would be great if leaders could bring their group's mission idea to the August MCLT Meeting (August 19) for feedback.
