

MOSAIC CHAPEL

Summer 2020 Recap

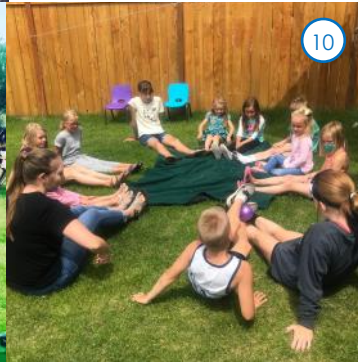

We had an incredible summer at Mosaic Chapel! We celebrated Hunter and Brinly's baptisms (1-2) and got to see Liza Rollins complete her pastoral license (3). We invested in a variety of opportunities to serve the community, including painting directional walkways at Chief Joseph Middle School (4) and setting up The Shelf at Bozeman and Gallatin High Schools (5). The Shelf provides practical resources, including school supplies and food, for homeless and transitional kids and teens. We made 185 masks for Family Promise, Love INC, One Heart Warriors, HRDC and schools (6), built Yard Libraries for One Heart Warriors, an amazing group that serves

people on the Crow Reservation (7), and collected over 700 pairs of shoes to help with the LeMays Adoption Shoe Drive (8). In addition to all the service hours invested, we contributed over \$4000 to these opportunities and organizations, and set aside \$6000 to help individuals and families affected by the COVID-19 crisis in the coming months.

We held our services outdoors, enjoying the beautiful weather and view of the Bridgers (9) and our first Backyard Bible Club was a huge success (10). Lastly, all our Home Groups spent the summer praying and discussing a mission to take on this year (11). This fall we have Groups investing in suicide prevention, supporting

teachers, foster kids and Gallatin Young Life. We're so excited to invest our time and resources in the people of the Gallatin Valley and showing them the love of Jesus in action. Thank you so much for being a part!
